The LDP & Stonehouse!

LDP Priorities

1) Climate Change!

- Stonehouse residents will still have to travel to:
 - Shops;
 - Leisure Facilities &
 - 500 + Teenagers to Secondary School!

2) Economic Growth & Jobs

- The hospital ground is residential only!

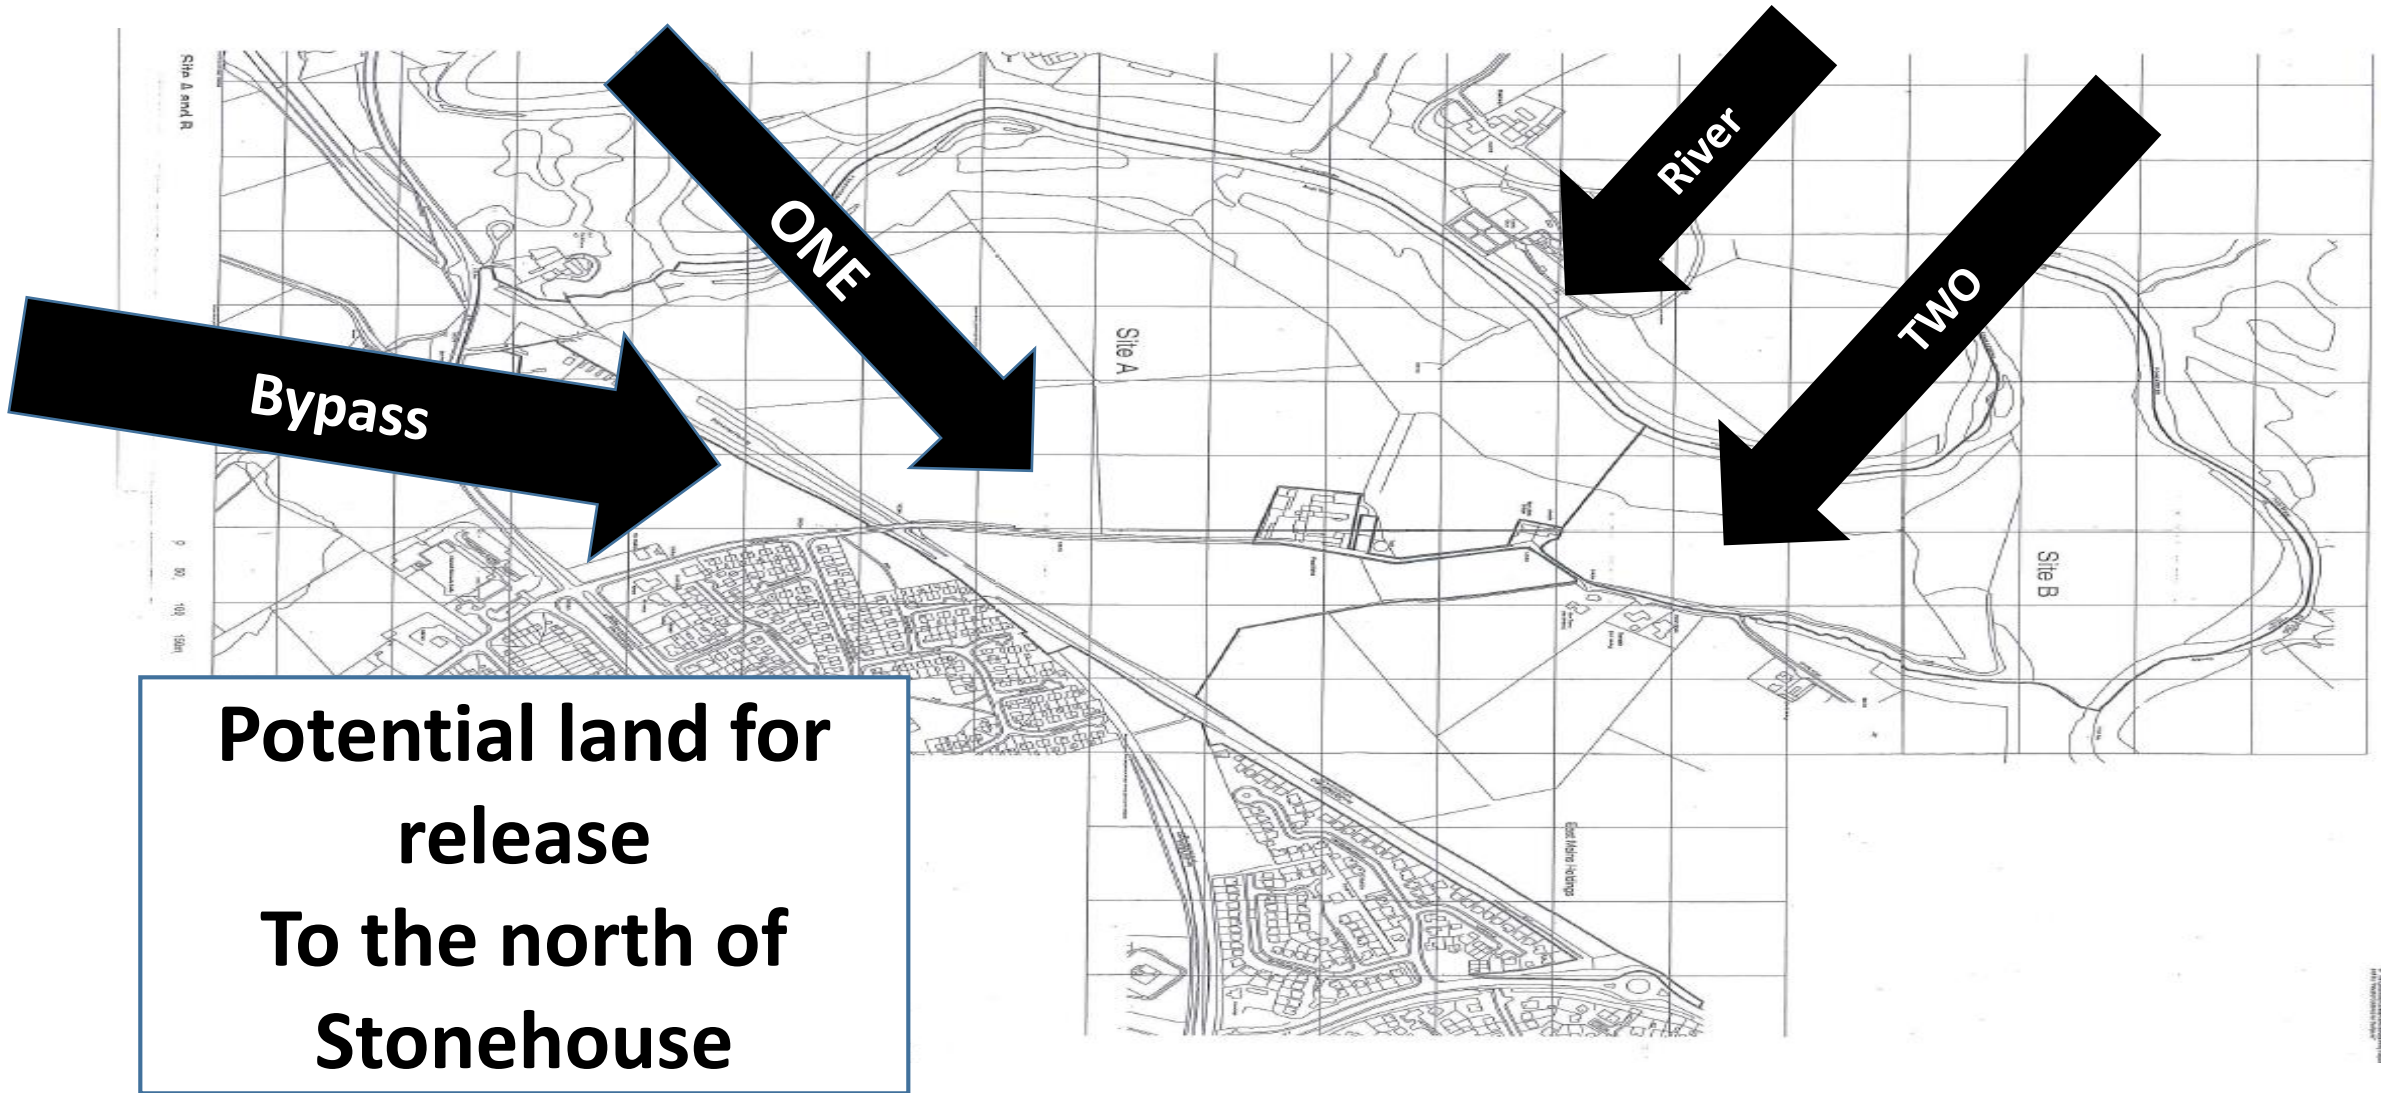

This LDP Fails Stonehouse and doesn't meet it's own priorities!

Stonehouse Priorities

- A secondary school;
- Better Shops;
- Entertainment;
- A Gym;
- Better sports facilities, including improved outdoor sports facilities;
- More Improvements to the Park;
- The completion of the Stonehouse A71 bypass.

There is a solution!

Potential land for release
To the north of
Stonehouse

This LDP Fails Stonehouse and doesn't meet it's own priorities!

Could Deliver

- The completion of the Stonehouse bypass;
- Housing;
 - Inc Social & Affordable
- Retail;
- Leisure;
- Commercial;
- A secondary school and:
- **Meeting the LDP's own priorities:**
 - **Global Warming:** Fewer road trips to Retail, Leisure and School &
 - **Jobs and sustainable economic growth:** Retail, Leisure and Commercial!

Stonehouse has so much potential!

Friday 16th March 2018

Game Change!

- **A week before this date:**
 - I believed the Stonehouse North site was in the LDP.
- **Persimmon were the game changer:**
 - Potentially 150-170 homes on the old hospital ground;
 - Just more housing, no shops or facilities and:
 - More teenagers to be transported to School by road to Schools already filling up due to development in Larkhall & Strathaven.

Stonehouse North will have no affect on the Persimmon Project

Please Don't Condemn Stonehouse to another decade of under investment?

Allow Stonehouse North to be included in this LDP Phase-2

Allow the market to decide how Stonehouse Expands

Deliver to Stonehouse

What the People Want

&

The LDP sets out to achieve

You have the power today to deliver a positive future for Stonehouse
